FIRE CHIEFS REQUEST COUNTY BOARD'S AID

Ask Supervisors To Correct Deficiency

The San Diego County Fire Chiefs Association has sent a letter to the County Board of Supervisors asking them to correct "the most outstanding deficiency in the management of this County".

The letter said that the County has to guide local units into Mutual Aid fire fighting along with the principles of three major elements which include a radio communications system, an overall plan for operation and a binding agreement.

A letter has been received by the Deputy County Engineer, J. W. Colquhoun from F. J. Gifford charging the County with competing with private enterprise because of its offer to assist in purchasing and maintaining the proposed radio system for a fire activities.

It, the fire chiefs say, "seems to have overlooked that fire representatives solicited guidance and assistance from the county government and that the intended communications improvements would harness, or "piggy-back" the already successful radio and microwave facilitices of the County."

The chiefs said that the majority of the fire departments in the County do have the same manufacture or radio equipment and that County technicians should be concerned that new equipment installed should be compatible with their existing facilities.

Association spokesman Chief Clarence L. Gish of Imperial Beach asked, "What can the Board of Supervisors do that will help?"

I make the following suggestions to guide you in your actions and believe in all sincerity this is the only way that the program can be sold."

1. Do not launch into lengthy study program, since it will result in nothing more than your staff already has at its disposal, and would be a waste of valuable time.

2. Re-affirm the need for a regional fire plan based upon your own personal observations. This should take only seconds, since I am sure that you have been aware of this need for some time.

3. Endorse the County Mutual Aid Plan proposed by the San Diego County Fire Chiefs' Association.

4. Identify the steps considered to be positively in the best interests of the Health, Safety, and Welfare of the County's citizens.

5. Resolve the County's stand in relationship to private enterprise.

6. Acting as the Board of Supervisors, invite the participation of all cities and fire districts within the County.

7. Provide, at no cost to participating agencies, mountain-top radio equipment and other items necessary for the common good of a County-wide fire network. This we are told can be accomplished in 90-days or less.

8. Assist in the mass-purchase of needed mobile radio units for individual agencies, and offer the services of skilled budgetary and purchasing analyst.

9. Acting as the Board of Supervisors, oversee the progress of participation by the agencies, and guarantee that most if not all fire departments will take part in this program.

The association questioned the supervisors on the calculated risk that disaster can, has, and will happen in San Diego County.

"The fact that it happened in someone else's backyard is a calculated risk. Such a disaster will surely be within the political boundaries of the County of San Diego and the person affected will be residents of this county.

Such an all-encompassing program is to the benefit of the County as a whole. It is an answer to regional problems extending from border to border, and is deserving of the full suppor and attention of this County's government."

CHIEFS POW-WOW: Fire chiefs from six Heartland communities attended a meeting on Mutual Aid. Lemon Grove, Spring Valley, La Mesa, Santee, El Cajon and Lakeside at the La Mesa Fire Headquarters last week to discuss the success and problems of their mutual aid pact. From left to right are Chiefs Edward Harrison of Lakeside, H. L. Hensley of Lemon Grove and Frank Burger from Spring Valley. The group discussion was held to see what they could do to help the San Diego County Fire Chiefs Assoc. in their presentation to the Board of Supervisors for a County wide mutual aid communications system.

Communications Request Carried To Supervisors

by Jack Pollard

Fire Chief Frank Burger of Spring Valley and H. L. Hensley of Lemon Grove were on hand at a meeting of the minds of Heartland Fire Chiefs in order to call for prompt action by the County Board of Supervisors to provide a common link in fire communications

The Heartland Mutual Aid program which include Spring Valley, Lemon Grove, La Mesa, Lakeside, Santee and El Cajon will make the formal presentation along with the County Fire Chief's Association to the Board of Supervisors within the next 30 days.

Chiefs Burger and Hensley were quick to point out that the departments, even in the Heartland area lack a common communications system with other departments in the program.

Lemon Grove and Spring Valley operate on the same frequency while Santee and Lakeside operate on another together.

La Mesa and El Cajon are not on the same radio frequences as any of the other departments.

The mutual aid pact calls for help according to a four-point code system. Plan 1 is used for smaller fires that require help while a Plan 3 calls for all aid from all of the member communities.

Plan 4 is sent out for specialized equipment that might be needed. This includes dry chemical equipment, heavy duty rescue gear, foam machines, aerial ladder of snorkel apparatus, and on up to portable lights and numberous minor applicances such as small pumps and breathing equipment.

Bottom Falls Out

On that day the firefighters of the Heartland Mutual Aid program had what was called as the "perfect test". In the early morning the humidity was at 23%.

As the day grew on it dropped to 1%. All of the communities involved in the aid pact had their hands full as a sudden rash of fires broke out in the 86.5 square mile radius.

As early as 9:15 a.m. La Mesa was called to a grass fire at Fletcher Parkway and Highway 80 location with a code three call. The engines returned to the La Mesa Station at 9:24 a.m.

At 12:30 p.m. La Mesa sent equipment to Spring Valley to a grass fire at Highway 94 at the Campo off ramp.

At 12:57 p.m. Lemon Grove had to send equipment to cover for La Mesa. It was at 3 p.m. when the bottom fell out. Fires ripped into the area.

At that time Lakeside initiated a Plan 1 for a large grass fire there. Santee responded to cover for Lakeside on Mutual Aid.

Five minutes later, Plan 2 went in effect with El Cajon sending equipment to the fire.

Santee sent another unit to cover for their original unit sent to Lakeside. The first Santee unit went to the fire. La Mesa was then called to help cover the Lakeside headquarters.

At 3:08 p.m. La Mesa had to send a unit to a local fire in its own community. At 3:11 p.m. La Mesa had three units out of their station houses on calls.

Three minutes later El Cajon requested a Plan 1. La Mesa and Spring Valley sent units to cover the Fletcher Hills station.

At 3:14 p.m. all units from La Mesa and Lakeside were tied up. Three minutes later Lakeside had to call for the top Plan 3.

Lemon Grove sent a truck to Lakeside. La Mesa off duty personnel were called to man the tanker truck and snorkel.

Spring Valley then sent another unit out on the mutual aid call to Lakeside.

At 3:32 p.m. El Cajon and Spring Valley along with La Mesa had all of their fire units tied up at one place or another.

Lemon Grove had a truck covering La Mesa while Santee sent an additional unit to Lakeside. At 3:52 p.m. El Cajon requested additional help.

The Lemon Grove pumper at the Lakeside fire was sent to El Cajon. La Mesa sent their Snorkel to El Cajon headquarters for cover duty. In the mean time San Diego sent a unit to cover at La Mesa.

During the day Lemon Grove had responded to three grass fires in addition to the mutual aid calls. Spring Valley went out on two grass fires in addition to their response to the pact call.

After the activity of the day, the Heartland chiefs review the response.

They found difficulty in communications with all units involved in mutual aid fires.

The chiefs, along with the endorsement of the San Diego County Fire Chiefs Association, will present their request for the County to act as common denominator for the communications system.

After the experience of June 21 and the huge Poway fire last year the chiefs know that this must be done. They are all in agreement.

Some communities have set funds aside for the purchase of radio equipment so that they can move into the system sometime this year.

The County has a central communication system which operates on a microwave set up. The Sheriff's office and the County Dept. of Public Works now use it.

The Mutual Aid system can be incorporated in the central systems with slight modifications. The modifications would require that transmitters be set up on the mountain tops to serve each fire district.

Total cost for setting up the system, including radio units would cost the County an estimated $420,000.

One chief said, "There is no doubt in my mind that we are going to have to go on this system. Look at Poway . . .

We had some 30 different communities that responded to the call for help. We could not direct any of the units. We had no common communication system. It was complete chaos."

The Heartland Mutual Aid group are in the process of setting up a "hot line" between the La Mesa headquar-

LM-SV School Sex Proposals Stir Board Meeting Protests

Strong disagreement with the La Mesa-Spring Valley School District on its proposed Sex Education and Family Life program was voiced Monday night at the District's regular board meeting. Approximately 50 persons were present.

The program, prepared by the District's Sex Education Task Group, covers the subject from kindergarten through the eighth grade.

The material was prepared by Don Phillips, Fred Jabusch, Dr. K. B. Lane, Calvin Rodriguez, William Schell, Mrs. Dortha Swegles, and Miss Joan Boeman.

Among those opposing the outline which clearly describes sex organs, the sexual act and conception starting in the kindergarten class (see related editorial this page) was Mrs. Joyce Granlund, of 5965 Cowles Mountain rd., in El Cajon.

The mother of two children in district schools, she told the board that sex education was the right, privilege and the responsibility of the parents.

She charged that parents would be forced to tell all, right now, in order to get there before the school does. "Unless we get there first we will be unable to instill in our children our own ideals and ideals of morality as tempered by our own religion and sense of responsibility," she said.

She objected to the subject of sex becoming common. "Why can't it continue to be personal. Why should students lose their sense of propriety?"

She said she objected strongly to the program in which children would be required to draw or illustrate sex organs.

"Do we not have the right to say how much sex education our youngsters shall get?" she asked.

She also complained that the steering committee "which is supposed to be the reflection of the public" was not open to the public. The steering committee meets at the LM-SV Education Center building on an irregular schedule.

Another opponent, Wayne Irwin, of 7930 Rainey way, La Mesa, said that he objected to the program being so specific with six year olds. "This program will teach the where and how but not the proper attitudes," he said. Such knowledge at this age may instill a yearning to experiment. "What happens if a teacher lets it slip that sex is fun?" he said. Children are always interested in trying things that are fun." He urged the board to change the program now instead of starting it and arousing parents who have not been aware of the program's content.

He also said that residents in his area feel that their complaints are not being heard or that if they are heard no one is paying any attention to them. "The administration takes the attitude that it knows best and we feel that the program will be instituted whether parents want it or not."

"We have a right to hear evidence in support of this program. So far, there are questions that remain to be answered," he said.

Irwin was applauded when he approved Mrs. Granlund's remarks.

Board President Hardy Kuykendall said that the present program had received favorable attention from students and parents but that there has been some concern as to how best the program can be expanded.

He said the program would not be expanded until such time that all citizens, staff and the board have studied it thoroughly. The program would not be instituted, he said, until proper training in it is given to all teachers.

Kuykendall said the board wanted to ascertain what the committee wants in this type of program and that the steering committee on sex education was established for devel-

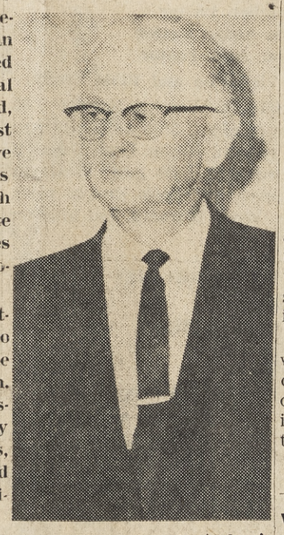
Supervisor Dent Appointed Mediator In Chief's Plea

Third District County Supervisor Robert C. Dent has been appointed to meet with representatives of the County's fire districts, including those in Lemon Grove and Spring Valley, to seek a solution to the development of a county-wide fire department radio system

Individual fire departments, volunteer and local fire districts are seeking a county-wide fire communication system to increase their effectiveness when two or more fire fighting agencies join in a cooperative effort to fight fires.



"The rash of brush fires in recent weeks throughout east San Diego County points up the need for cooperative action by local fire fighting agencies", Dent said, "cooperative efforts in the past have sometimes been ineffective because the various fire agencies were unable to communicate with one another, they each operate on different radio frequencies and use varying types of equipment."

The County Engineer's Department had suggested a solution to the development of a county-wide fire department radio system. This would include the purchasing of new radio equipment by all of the fire fighting agencies, this equipment to be installed and maintained by the County Engineer's Department.

This suggestion was installed however when a private businessman suggested to the Board of Supervisors that there were private companies who could install and maintain the radio communications equipment.

Subsequently, the County Engineer's Department contacted the County fire fighting agencies to suggest that they make individual arrangemens to purchase and maintain communications equipment. Generally the fire fighting agencies have not responded favorably to this suggestion.

Supervisor Dent stated that failure "to set up a County-wide fire department radio system can be disastrous in the event of a major brush fire which crosses jurisdictional boundaries.

I will meet with representatives of the affected fire fighting agencies to seek agreement on the installation and maintenance of a radio system which will be acceptablee to all concerned".

Dent estimated that the cost of such a system, including replacement of current equipment by each agency, would approximate $420,000. The new equipment would enable local fire districts and departments to transmit and receive radio signals anywhere in the County through the County's microwave radio relay system.

The DIMMER VIEW

by Max Goodwin

Sex and the Kindergarten Kids

The La Mesa-Spring Valley School District, the birthplace of so many school district hassles, is up to its ears in sex.

This has upset many parents with children in the system and the point of upset is based on a position paper the district has developed on sex education.

The study, issued by the instructional division, curriculum department of the district, dated November, 1967 and which is yet to be approved by the school board, makes no bones about it.

Unless it is changed, it instructs district teachers to start describing sex organs and how they fit, one into the other, to kindergarten children.

Instruction and description becomes more sophisticated on through the eighth grade — during which the student is admonished not to take the information home because of the danger of misquoting the teacher.

As more parents are learning about the proposed program, more concern is being expressed.

We suspect that the district will be forced to back up from its present position — or face an entire district of outraged mothers and fathers.

The paper was prepared by the LM-SV School District Sex Education Task Group — and it was issued to us with instructions that no part of it may be reproduced — so that limits this description. But it should be noted that the material is overweighted with discussion and description of acts of sexual intercourse. No question but that adolescents should be given a factual education in sex information.

But for a kindergarten pupil? Positively, not!

For those nearing teens, a toned-down program would be more suitable.

In any event, the report is made here so that parents who might not have been aware of the program may now get acquainted with it and take a position, if a position is indicated.

Assessment Appeals Time Ends Aug. 26

SAN DIEGO (CNA) — Filing period for applications for property tax assessment equalization ends August 26. Supervisor's Clerk Porter Cremans urged applicants to file at County Administration Center — but to file early.

The three appeal boards have granted reductions of $2-1/3 millions on 1116 applicants representing 2,355 parcels of land. This was 4½ percent reduction on the $51 million assessments.

County Assessor E. C. Williams is required by law to assess at one quarter of market value.

Williams said a good test of fair assessment is for the owner to ask himself if he would buy or sell the property for four times the assessed valuation. If this total is cause for dispute, the owner should see his appeals board.

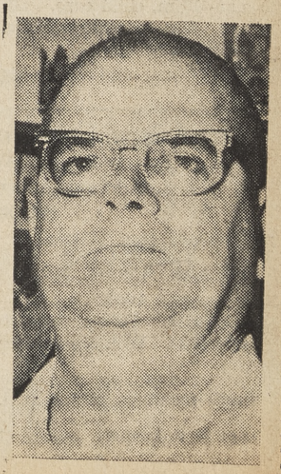
Wires To Go Underground On Mt. Helix

SAN DIEGO (CNA) -- Mt. Helix Drive and Avocado blvd. may become test areas for SDGE-property owners' financed undergrownding of electric and telephone lines.

Funds will come from a special district the supervisors will set up. SDGE funds are available under a public utilities commission ruling.

A quarter of the million dollar county-wide PUC fund is available for unincorporated areas. Rules of protest will be adopted by the county so that areas not wishing the improvements will not be forced in.

"Merchant of the Week"



Bob Vaught, owner and manager of the Lemon Grove Camera, 7848 Broadway, Lemon Grove has been selected as Merchant of the Week by this newspaper.

Vaught, a veteran Navy Chief, features a complete line of Kodak film, cameras and processing. He also has rental equipment available.

He has been at the same location for some 14 years. The local merchant golfs for a hobby.

Experimental Air Ambulance Operation Begins In County

A unique experimental air ambulance evacuation program will be in progress over the Fourth of July weekend here.

As part of a San Diego County experiment, Western Helicopter Inc. of Rialton, Calif. will furnish a pilot, helicopter and supporting units on a 24-hour basis for air ambulance service.

The helicopter that will be utilized in the program is an "Alouette 3" which accommodates a pilot, medical attendant and two patients.

The Emergency Medical Care Committee, recently established by the action of the County Board of Supervisors with Dr. Stephen P. Murphy as acting chairman will coordinate the program.

Grossmont Hospital along with Scripps Memorial, Tri-Cities, and Naval Hospitals at Camp Pendleton and San Diego have been equipped to receive patients by helicopter.

Ambulance attendants, medical supplies and services in the helicopter are being furnished by the Ambulance Owners Association of S.D. County for the July 3-July 7 period.

The air ambulance will operate out of Gillespie Field in El Cajon, subject to dispatch throughout the county.

One of the major concerns of the County communities is the evacuation of injured persons from remote areas in a relatively short time for quick medical help.

As a result of the Federal Highway Safety Act of 1966 local jurisdictions have been encouraged to consider and develop programs of a like nature.

A summary report of activities of the holiday experiment will be submitted by American Rotors, who are underwriting the entire air ambulance operation cost, to the County for review.

The Emergency Medical Care Committee will evaluate the program to ascertain the relative merits and demerits of the helicopter as an air ambulance in San Diego County.

Patients evacuated by the air amculance will be charged the standard ground ambulance rate. This will help to defray the cost of medical attendants and related services.

Ground ambulances, along with the air ambulance will be dispatched to all calls in order that every emergency care measure foreseeable may be covered.

Communications will be handled by the Calif. Highway Patrol, S. D. Police Dept., S. D. County Sheriff's Dept., and the County Engineering Dept.

Sunday Family Services

Sunday morning worship at the First Congregational Church at 2770 Glebe rd. in Lemon Grove at 10 a.m. is specially designed for participation by the whole family.

Children from the third grade on up will worship with their parents, as the younger children attend the Church School classes or the nursery.

From the choir to the pulpit, people of all ages will be taking part. From the smallest youngster in the Children's Sermon to the oldest adult, all are welcome.

According to Rev. Ernest M. Fowler, full choir participation and a nearly full sanctuary together with singing by the gregation has made the Sunday services very exciting.

Beginning August 12 and lasting for two weeks, the First Congregational Church will offer Vacation Church School to children from kindergarten through Junior High.

The program will be from 9:30-12:00 five days a week. Experienced teachers and an exciting program indicate that the two-week period can be quite valuable as well as enjoyable for the children, according to Rev. Michael E. DeVore, associate minister in charge of Christian Education.

Thrift Shop Moves Monday

St. Philip's Episcopal Church Thrift Shop, formerly at 3412 Grove st. in Lemon Grove, will re-open at 3623 Imperial ave. Monday, according to the Rev. Kenneth R. Johnson, rector.

The shop is the victim of the U. S. National Bank expansion. The bank will raise the two buildings at the corner of Broadway and Grove to provide additional parking for itself and the post office.

The new Thrift Shop site, just north of Canfield Brakes at Imperial and North sts., is large enough to stock furniture, household appliances — items it was unable to stock before.

Mmes. James Creighton and Thomas Heath will remain as manager and treasurer, respectively.

Free pickup service is provided to donors. This service is available by phoning the Shop at 463-4112.

The horse was the last of the wild animals to be fully domesticated.

NEW BRIDE: Christine Dale Potts, daughter of Mr. and Mrs. James R. Potts, 2025 Madera st., Lemon Grove became the bride of Stephen Richard Haney at a wedding held June 29 at the First Methodist Church in Mission Valley.

Best man was William Haney, while David Phillips, Douglas Williams, Alan Nakashima were ushers. Ring bearer was Alan Huebner.
The newly-weds plan to reside in Lakeside. A wedding trip was made to Lake Tahoe.

B'nai B'rith Women In Charity Bowl

B'nai B'rith Women San Diego-Shalom Chapter members, their husbands and friends will meet for a Bowling and Dinner Party on Saturday, July 13, in the Brunswick Bowlero Lanes, 1065 Broadway, Lemon Grove.

Dinner is at 7:30 p.m. with bowling to follow. Admission is $3 a person for dinner and use of the lanes.

Reservations are necessary and may be made until July 10, by contacting Mrs. Saul Roskin, 460-0539, chairman for the party, or Mrs. Saul Snyder, 469-8158, vice president.

Funds which will be realized from the sale of tickets are used to support the hilanthropic and community service projects of B'nai B'rith Women; its work for Human Rights; Youth programs of national and international scope.

B'nai B'rith (Children of the Covenant), is the world's largest Jewish service organization now in its 125th year.

The public as well as members and friends are cordially invited to attend the Bowling and Dinner Party.

Lesson, Sermon Set For Sunday

"For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

This verse from Habakkuk is part of the Lesson-Sermon titled "God" to be read in all Christian Science churches this Sunday.

Services at Christian Science Society, 7741 Pacific ave., Lemon Grove, begin at 11 a.m.

The readings will include the following passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done.

4 Day Assembly

Jehovah's Witnesses in Lemon Grove and Spring Valley are making arrangements to attend a four-day assembly in San Bernardino, July 18-21. Announcement was made by Edgar A. Flinn, presiding minister of the local congregation.

According to Flinn, arrangements have been made to hold similar gatherings in 46 North American cities, including Hawaii and about 23 more in the Britsh Isles, Canada and the Carribean area. Seven of these assemblies are scheduled in California.

About 12,000 are expected at the four-day bi-lingual gathering which will be held at the National Orange Show. Swing Autitorium will be used for English sessions and the Commercial Auditorium for Spanish-speaking delegates.

Area Students Make University Dean's List

William A. Johnson of Lemon Grove, Carol J. Colquhoun and Joan E. Creese, agriculture majors at the University of California, Davis have been named to the Dean's List.

The students were among some 1,500 who were named to the list of students who have maintained a B average in all college work through the end of the winter suarter.

The puffin, also known as the sea parrot, is one of the world's oddest looking birds.

Spring Vally Firefighters Presented With Color TV

A large color TV set was given to the Spring Valley Fire Department as a token of appreciation from members of the Lakeview Manor Mobilodge, 9902 Jamacha blvd., Spring Valley.

The presentation made at a special ceremony recently at the lodge was made by Rudy Sickler, activities chairman. Fire Chief Frank Berger was hand while more than 300 persons witnessed the presentation.

Also on hand as special guests were Robert Dent, Third District Supervisor; William Faulwetter, president of the board of directors of the Spring Valley Fire Protection District; Virgil Steffen, Clifford Pennick, Stanley Totten and Richard Allen, members of the District Board.

Also on the platform was Mrs. Enday Rounds, 86, whose election as "Queen of Lakeview Manor Mobilodge of 1968" was announced prior to the presenttaiom ceremonies.

She was escorted from her seat in the audience to a special chair on the platform by Gertrude Archer, co-chairman of the activities committee.

Mrs. Archer placed a golden crown on the winner's head and presented her with a corsage of pink carnations amid a standing ovation.

Sickler explained that the members of the mobil home park has raised more than $2,000 toward the purchase of a second ambulance for the use of the fire department.

This sum was increased to $3,000 by gifts from other residents in the area.

The fire department matched the total to purchase a fully equipped ambulance seven months ago. Total cost was close to $6,000.

Since that time the ambulance has made more than 275 emergency runs, several of them to Lakeview Manor.

Church Youths Journey To Paradise Springs

Approximately 15 youths from the Spring Valley Friends Community Church, headed by their sponsor, Don Williams, will go to Paradise Springs this week, to spend Friday, Saturday and Sunday there.

The place is near the Mojave Desert and to get there you have to go north through Roverside.

It is the site of an old movie resort, and is being restored by several Christian people.

An old fashioned ice cream social is being planned at the Spring Valley Friends Community Church, for Friday, July 12, from 7 to 9 p.m. and will be held in the church patio. Visitors will be welcome.

An apple tree may grow from a planted seed but will not produce the same variety as the parent stock. To develop a true strain grafting is necessary.

SV Kiwanis Adopt Orphan

Park Chun Suk

The sponsorship of a Korean orphan, Park Chun Suk of Puson, by the Kiwanis Club of Spring Valley has been announced by club president Robert B. Divine.

The sponsorship of Park Chun Suk in the Bethel Bo Yook Won Orphanage is shared by the Kiwanis International Relations Committee headed by James Martinez and the Boys and Girls Committee under the leadership of Ted Doughty.

The Kiwanis Club of Spring Valley has sponsored an orphan in Hong Kong for the past seven years. The Korean meaning of the newly adopted orphan's name Park Chun Suk is very rich.

He attends school at the orphanage and social studies is his favorite subject. He enjoys reading and playing football. His chores consist of cleaning the yard.

Chun Suk's father, a laborer, died some time ago of heart failure, and his mother disappeared from home as soon as his father died. The boy had to wander about the street with his younger sister until they were rescued by a kind neighbor who took them to the orphanage.

The orphanage states that the Kiwanis sponsorship will brighten his future and will bring joy and security to this Korean youth.

It's Stephens-Season Again

Like the swallows in Capistrano, H. Ray Stephens, veteran Lemon Grove real estate broker is back home.

Stephens closed up shop here in April, retiring for the third time, bundled up his wife Fay, and moved to Missouri where the couple met and married in 1925.

"We had no relatives here and the thought of moving back east seemed a pretty good idea at the time," he said.

But the idea wasn't as good as it appeared. Proving that things aren't the same as they were 43 years before, Mrs. Stephens started agitating for the vaunted Lemon Grove climate.

Luckily, the couple didn't sell their home here so they moved back in.

Another stroke of good fortune came when Stephens was able to get his former partner, B. C. Hesser, to rejoin him in the real estate business.

Another happy event came when the real estate pair were able to lease their former business location at 7580 Broadway.

The Beat Of A Drum

BY THOMAS R. WELBAUM

Rum—dum dum—Tum
Rum—dum dum—Tum
The steady beat of a solitary drum.
Down the street, slowly marching, they came.
Rum—dum dum—Tum

The flag draped coffin for valorous deeds,
Pulled slowly by six white steeds.
Rum—dum dum—Tum

People lined both sides of the street
And stare and listen to the solitary beat.
Rum—dum dum—Tum

I stand there and hold my son's hand.
A little tighter and straighter I stand.
Forcing back tears in a manly way.
And welcome all of our sons back to stay.
Rum—dum dum—Tum

Was he old or was he young?
In his mother's arms a song was sung.
Hey! Remember his first baseball glove.
The prom, his allowance, his very first love!
Rum—dum dum—Tum

Millions walk beside him in somber shadow—
And the secret of worth only he will know.
Rum—dum dum—Tum

Down through the ages people look over my shoulder
And each beat of the drum I get older and older.
Rum—dum dum—Tum

His suffering is greater in these ageless slaughters
For we are all his sons and daughters.
My heart pounds and I hold back a sigh.
For sooner or later we all must die.
But so young for the passing of a son,
Too soon, too soon, all is done.
Rum—dum dum—Tum

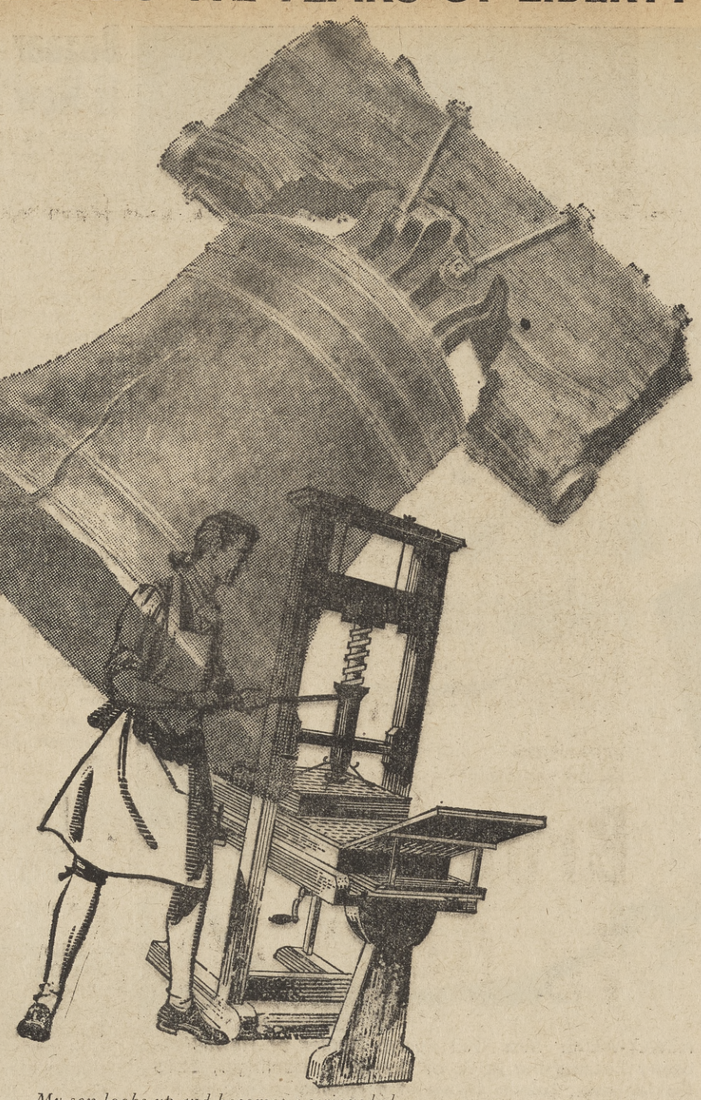
Youth swept away in the ravages of war,
And brought back flag draped, tattered and tore.
Bravely looking and a play-acting jest,
They seek out this magnificent guest.
To settle the matter, whatever it be.
And once and for all make all men free.
Rum—dum dum—Tum

The guest of freedom comes highly paid,
With the youngest, the bravest side by side laid.
And to their children, they leave this chore,
Guard the door, guard the door, guard the door.
Rum—dum dum—Tum

Why is it, Oh God, those who so love
Just lay down the baseball glove
And instead of a bat pick up a gun?
I sigh and the wind whispers, too soon and it's done.
Rum—dum dum—Tum

The procession starts rounding the faraway corner,
And I am a very lonely mourner.
For I look around and the shopping picks up.
And people move on and drink their own cup.
Too soon, too soon they've forgotten our son.
Too soon, too soon and now it's done.
Rum—tum tum—Dum.

CELEBRATING 192 YEARS OF LIBERTY



My son looks up and becomes a serious lad.
"He was a brave soldier, wasn't he dad?"
"Yes, my son, no man hath greater love
Than to lay down his baseball glove".
Rum—tum tum—Dum

Down through the years and down through the ages,
Comes this very same thought from all of the sages.
This precious freedom, this precious love,
Is well worth his first baseball glove.
And if you know, dear God on high,
Then you also know, his kind don't die.
And be immortal through eternal years.
But he understands, so shed your tears.
But, straighten up, go on, get the job done.
Remember, remember, He too gave a son.
Rum—dum dum—Tum
Rum—dum dum—Tum

EXPANSION — Len Farness, left, points to storeroom where he will soon open Len's Men's Wear. With him is Roy Lane, retired popular haberdasher who will oversee the new store's grand opening.

Brumley's Plans Expansion; To Open Men's Wear Shop

by Max Goodwin

A local young man who found a successful way of business life in Lemon Grove, is now having to expand to keep pace with the demands his satisfied customers are making of him.

The young man, Len Farness, who started his business career here at Brumley's Shoes at 7763 Broadway, said this week that he has acquired the store at 7765 Broadway to house a full line of haberdashery and men's wear. The new store will be opened Sept. 1st.

His shoe store, and the men's wear store, will operate jointly with an archway opened between the two so that customers may conveniently flow from one shop to the other.

Farness, who took over the present Brumley's Shoe Store from Dee Brumley in 1955, has doubled the store's volume since then. He said that good merchandise, good service, and honest prices, had produced the growth. He said he intends to follow the same policy in the new store.

Lemon Grove has been without a men's furnishings shop since the Highlander moved to the shopping center several years ago. Many of Farness' customers have been urging him to take on men's lines. Farness said he came to the decision to expand when several pieces fell into place at one time recently.

"I wanted to make it possible for people here to get merchandise they were being forced to go elsewhere to get. We want to keep these loyal people shopping at home.

When Roy Lane, the former Lemon Grove men's wear shop owner agreed to manage the shop through its grand opening, I felt his experience, advice and counsel were too valuable to pass up.

"At the same time the location at 7765 Broadway was to become available by Red's Western Auto moving to larger quarters across the street, and by Cliff Clark's Tri City TV shop taking on Red's former store and relinguishing the part of his old store so that we could expand," Farness said.

Lane, who operated a men's wear store in Lemon Grove for many years — in fact, in the same location — will serve in an advisory capacity only, Farness said.

The permanent manager of the store has not been chosen yet, he said. Lane is retired and spends his time managing his various properties.

Other personnel for the new store are yet to be announced. Ron Thill, who has been Farness for 2½ years will remain, as will Perry Shannon, and Farness' wife, Mary Lou, who is the firm's bookkeeper.

The new store is to be named Len's Men's Wear and will feature Michael Stern suits; Rough Rider slacks and sportswear; Jock brand and Munsingwear underwear; Arrow and Capri shirts; Puritan sweaters and sportswear including turtleneck and pullover sweaters; Levi Strauss work and wash pants; A-1 wash and wear school slacks; Tru-Val sports shirts, and Camp hosiery.

It is not known if the remodeling will be carried to the entire block.

Lemon Grove, Farness said, offers a chance for success for anyone who wants to work for it — which is a bonus to the town's slogans: "Best Climate on Earth" and "San Diego's Friendliest Community."

Supremes Are Coming

Diana Ross and the Supremes, considered the top female singing group in the world, will appear in concert for the first time in San Diego Friday, July 19, 8:30 .m. at the San Diego International Sports Arena.

Tickets, priced at $2.50, $3.50, $4, $4.50, $5 and $5.50, may be obtained at the Arena box office, all Highlander Men's Stores and all Metro ticket agencies. The concert is being presented by radio station KCBQ.

Rumors Denied

Rumors that Cubic Corporation of San Diego, has merged with or acquired a company were denied here today by Walter J. Zable, the firm's president.

He did say that the company is looking at several firms for possible acquisition.

Zable said the company did made an announce on June 27 that Cubic is in initial production on the KODAK KOM-90 microfilmer.

He added, however, that the company has been working on the KOM-90 with Eastman Kodak Company since March, 1967.

"We are proceeding on schedule with the KOM-90 program," he said.

Bicycle Found In S.V.

Betty Finch of Lemon Grove found a bicycle a near a Campo rd. intersection recently. She turned the bike over to sheriff's officials.

The bike is at the Lemon Grove Sheriff's sub station.

Grossmont JC Uses Closed Circuit TV For Enrollment

Grossmont College's closed circuit television system was used for the first time recently to introduce prospective students to application and programing procedures for the fall semester

The program, lasting about one-half hour, is televised via closed circuit television to small groups of students in the counseling center, relieving staff counselors from making repetitious introductions to larger groups of students

Already seen by over 400 prospective students, the video presentation ensures a degree of perfection and uniformity unobtainable under the previous method of orientation.

Use of the closed circuit television system for the presentation of application and program procedures enables each counselor to spend up to one-half hour with each new student discussing his educational goals and immediate course requirements.

Counselors formerly were only able to spend a maximum of 15 minutes with individual students on propram advisement.

The Trojan War was probably fought over control of the Dardanelles.

Pads to Train at Yuma

SAN DIEGO — The San Diego baseball club of the National League has selected Yuma as its spring training site for the 1969 season, it was announced recently by Eddie Leishman, general manager of the new major league entry.

In making the announcement, Leishman said that the existing site at Keegan Field San Diego club will use the in Yuma as their 1969 spring headquarters.

LEGAL NOTICES

Re Grading, Paving, Construction of Base, Curb and Gutters, and Installation of Sewers and Drainage Facilities in SWEETWATER SPRINGS BOULEVARD in the Vicinity of SPRING VALLEY, Assessment District No. 219, R.I.D. No. 6081, in the Unincorporated Area of the County of San Diego

RESOLUTION OF INTENTION

WHEREAS, the report prepared pursuant to Division 4 of the Streets and Highways Code (Special Assessment Investigation Limitation and Majority Protest Act of 1931) covering a proposed street improvement, to wit: Grading, paving, construction of base, curb and gutters, and installation of sewers and drainage facilities in SWEETWATER SPRINGS BOULEVARD in the vicinity of SPRING VALLEY, Assessment District No. 219, Road Improvement District No. 6081, in a portion of the unincorporated area of the County of San Diego is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, and may be examined at said office; and

WHEREAS, on November 14, 1967, pursuant to said Division 4, the Board of Supervisors of the County of San Diego adopted a resolution by not less than a four-fifths vote of all members that the lands to be assessed will be able to carry the burden of the proposed assessments and that the limitations on the amount of assessments may be exceeded and dispensed with, both with respect to the limitations as to the district as a whole, and as to individual specific assessments; NOW THEREFORE

On motion of Supervisor Dent, seconded by Supervisor Austin,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors of the County of San Diego (hereinfater referred to as the Board of Supervisors) to order the following work to be done and improvement to be made, to wit:

The acquisition of necessary lands, easements and rights of way for the hereinafter described improvements. For a detailed description of the easements and rights of way to be acquired, reference is made to the hereinafter mentioned plans, drawings and specifications. The assessment for the cost of all acquisition of lands, easements and rights of way shall be levied as a part of the incidental expenses of this proceeding.

The grading, paving, construction of base, curb and gutters, and installation of sewers and drainage facilities in:

PARCEL A.

A parcel of land lying within "Sweetwater Springs" according to Map No. 576 thereof, on file in the office of the County Recorder of San Diego County, California, said parcel of land being One Hundred (100) feet in width and lying Fifty (50) feet on each side of the centerline of Sweetwater Springs Boulevard southeasterly from Jamacha Boulevard and the prolongation of said centerline as the same are described as follows:

Beginning at the intersection of Sweetwater Springs Boulevard (Road Survey No. 1353) and Jamacha Boulevard (Road Survey Nos. 629 and 1343) as said intersection is shown on Record of Survey Map No. 5255 on file in the office of said County Recorder; thence South 64° 27′ 50″ East 84.24 feet to the beginning of a tangent 500 foot radius curve concave Southwesterly; thence Southeasterly along said curve through a central angle of 16° 09′ 00″ an arc distance of 140.94 feet; thence tangent to said curve South 48° 18′ 50″ East 578.62 feet to the beginning of a tangent 500 foot radius curve concave Southwesterly; thence Southeasterly along said curve through a central angle of 32° 17′ 20″ an arc distance of 281.77 feet; thence tangent to said curve South 16° 01′ 30″ East 155.25 feet to the end of Sweetwater Springs Boulevard according to Road Survey No. 1827; thence continuing on the prolongation of the centerline of said Sweetwater Springs Boulevard South 16° 01′ 30″ East 150.00 feet.

Parcel B.

That portion of the Easterly half of Jamacha Boulevard (Road Survey Nos. 629 and 1343) in said County lying between lines which are at right angles to the centerline of said Jamacha Boulevard and pass through points on said centerline which are 55 feet Southwesterly and 70 feet Northeasterly from the intersection of the centerlines of said Jamacha Boulevard and Sweetwater Springs Boulevard (Road Survey No. 1353) measured along the centerline of said Jamacha Boulevard.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 401733, on file in the office of the Clerk of the said Board of Supervisors and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the last date for payment of assessments, as specified in the statement provided by Section 5390 of the Streets and Highways Code of the State of California. Said statement shall be mailed to each property owner within the assessment district at least thirty (30) days prior to the last date for payment of assessments. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unmatured principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuant of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary benefit to the public and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map entitled "Amended Proposed Boundaries of Assessments District No. 219, County of San Diego, State of California", indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 401734, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Supervisors has heretofore directed the Superintendent of Streets in accordance with Section 5254.5 of the Streets and Highways Code to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by said Board), and has fixed the sum of $25.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Monday, the 22nd day of July, 1968, at 11.00 a.m., in the chamber of the Board of Supervisors of the County of San Diego, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said San Diego County Administration Center, not later than the hour hereinabove set for hearing. No other protests or objections will be considered. If the person signing the protest is not the owner shown on the last equalized assessment roll, the protest must contain, or be accompanied by, written evidence that such signer is the owner of the property.

The Clerk of this Board of Supervisors is hereby directed to cause this resolution of intention to be published twice in the Spring Valley Bulletin, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the lat equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Engineer shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along with line of said contemplated work or improvement, at not more than three hundred feet (300′) in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, all in the time, form and manner required by law; and thereupon said Engineer shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

PASSED AND ADOPTED by not less than a four-fifths vote of all members of the Board of Supervisors of the County of San Diego, State of California, this 17th day of June, 1968, by the following vote:

Mail Bag

Dear Editor:

Flying "Old Glory" at half mast denotes the untimely passing of a great personage and or some major catastrophe — this is done in honor and respect for his or their tribute to Americanism and or our way of life.

Let us all, upon this notice, hoist our "Flag" to half mast and somehow to stand in silent reverence, to honor the greatest of heroes, our boys in the current conflicts, who have died and who are dying.

We suggest further, that we continue to "Fly Old Glory" at half mast, in continuing honor until the present conflict has been concluded. There is no greater patriotic body on Earth than War Veterans to lead the way in honor and Americanism.

Respectively submitted,
B. Bill Murad
Dept. Americanism
Chairman

ters and all of the member stations that can be used as a common link between all department headquarters at the same time.

The move is scheduled to take place in mid-July providing that city councils and boards give their stamp of approval.

Chief Burger said, "This will give us at least a partial communication system for all of us. We can then move equipment faster than what we are doing at the current time."

County Supervisor Robert Dent, along with board director Henry Boney said that they will do all that they can to help the communities move in the central direction.

Richardson-Fetters Vows Recited in San Diego

The First Methodist Church of San Diego was the scene of the marriage June 22 of the former Laralee Richardson and James Merritt Fetters, Jr.

The new Mrs. Fetters is the daughter of Mr. and Mrs. Maurice Richardson of San Diego. The bridegroom is the son of Mr. and Mrs. J. M. Fetters, Sr., of 3445 Vista dr., Lemon Grove.

The evening ceremony was performed by the Rev. C. A. McClain of the Methodist church. The bride was attended by Miss Dyann Richardson, the bride's sister, as maid of honor. Bridesmaids included Sherry Lynn Griggs, Suzanne Hampton, and Julie Irvin.

Jay Fetters, brother of the bridegroom, was best man. Ushers included Tom Lefaver, Marty Griggs, Dayne Mortensen, and Marty Krauel.

A reception was held at Mission Valley Inn following the ceremony.

After a honeymoon at Hoel del Coronado, the couple will reside at 4400 New Hampshire, San Diego.

New Fish Landing Facility Opens

A new addition to San Diego's growing list of attractions is the recently completed Seaforth Sportsfishing Landing at Quivira rd., Quivira Basin in Mission Bay.

The new facility, managed by J. W. "Mac" MacHolland was built specifically for anglers who enjoy the shorter, half-day trips.

A new 75-foot boat, the Seaforth, has been added to the fishing fleet, making a total of four craft. The Seaforth is faster than the others, utilizing two 400 HP diesel engines.

Half-day trips start at 6 a.m. and 12:30 p.m. daily. One 65-foot boat in the fleet will be devoted to albacore fishing

District Board Officials Expel 10 High Schoolers

The Grossmont Union High School District Governing Board at a meeting Monday night expelled 10 more students from the school district for involvement with dangerous drugs or narcotics.

Throughout the 1967-68 school year the district board bounced 70 students for drug offenses.

Officials disclosed that 66 students have been expelled since February when a new state law gave school districts greater discression on how to handle narcotics violators.

All but one of those expelled by the board were listed as having average to above average scholastic ability. Five had satisfactory citizenship grades in school.

The Board also reelected Mr. Rexford L. Hall as President and Mrs. Portia B. Goode as Clerk of the Board. Hall has served the district since 1944 and has been head of the board since 1961.

In other action the Governing Board approved an increase in the mileage allowance for use of personal car on District business from 8c to 10c per mile.

They delayed a decision regarding the master plan for construction at Grossmont High School pending additional discussion among the High School Committee, the District administration and the architect.

Obituaries

Herbert E. Linville

Funeral services for Herbert E. Linville, 60, of 1939 Englewood dr., Lemon Grove, were held June 28 at Cypress View Mortuary, with entombment in Cypress View Mausoleum. He died June 26 in a hospital.

A native of Kentucky, Linville had lived in San Diego County 50 years. He was a civil service pipefitter at North Island Air Station for 25 years.

Rain Totals 11.87 Inches

It's official!

The rainfall total here for the 1967-68 season was 11.87 inches — considerably more than fell on the downtown San Diego weather station but a not less than the six year average. The season starts in July each year.

The six year average, according to J. McReynolds, local meterologist, is 13.05 inches.

Learn Spanish the Easy Way

Hardison's Telespanish

What is the meaning of the word "deme" and how it it used? Two words have been combined to make this word. They are "de" and "me". When they are joined together they become "deme" which means "give me." This expression is used most frequently in a command form.

As as example, we may say "Deme aqua" for "Give me water" or "Deme duces" for "Give me candies." Naturally our command will have a more polite tone if we add "por favor" which means "please." So, "Deme aqua, por favor." (Give me water, please.) sounds much better and most time gets the best results.

See how many words you can add to the expression "deme". Here are a few: "pan" (bread), "leche" (milk), "comida" (food) and "tiempo" (time).

We may also expand our use of "deme" by adding the word "lo." This will make the compound word "demelo" which means "Give it to me." This expression is very important when we don't know the Spanish name of the object we wish to receive.

If we do not wish to receive an object we may wish to say "No me lo de." for "Do not give it to me." You will note that this phrase is seperated into four seperate words which cannot be joined to form a compound word.

Today's lesson contains "demelo" and other practical phrases which will help you to advance within the language. Listen to an dpractice saying the words and phrases with the recorded voice when you dial 276-2762 on your telephone. The voice will say the words and pause for you to practice saying them.

IMPORTANT PHRASES

Say "Deme agua, por favor." (DEH-meh AHG-goo-ah pohr fah-VOHR)
for "Give me water, please."
Say "Tengo sed." (TEHN-goh sehd)
for "I am thirsty."

USEFUL PHRASES

Say "No me lo de." (NO me loh deh)
for "Do not give it to me."
Say "Demelo, por favor." (DEH-meh-loh pohr fa VOHR)
for "Give it to me, please."

OTHER PHRASES

Say "Deme comida, por favor." (DEH-meh koh-MEE-thah pohr fah-VOHR)
for "Give me food, please."
Say "Tengo hambre." (TEHN-goh AHM-breh)
for "I am hungry."

Services Held

Funeral services for Mrs. Carol Rch, 59, of 9122½ Valencia dr., Spring Valley, were held June 28 at Conrad Lemon Grove Mortunary. Interment was in Ft. Rosecrans National Cemetery. She died June 24 at her home.

A native of Colorado, Mrs. Rich had lived in San Diego County 28 years. She is survived by two sons, Dion and Daniel Rich, both of Spring Valley; a sister, Mrs. Myrtle Mills of Spring Valley; a brother, Grant McClellan of Los Angeles; and three grandchildren.

oping a program and looking into complaints.

Glenn Murdock, district superintendent, reiterated Wednesday Kuykendall's position. He reminded that the steering committee comprised a good cross section of the community and that opinions and complaints were being carefully studied. "No expanded program will be offered until complete and thorough discussion with the public and study is completed by the steering committee," he said. "The board will then act on it. The expanded program is not being used in schools now nor will it be until all elements can be completely worked out," Murdock reminded.

Mrs. A. Boese Passes at 83

Funreal services were held June 26 at Cypress View Mortuary for Mamie Adelle Boese, 83, wife of Arthur R. Boese, of 8248 Golden ave., Lemon Grove.

She died June 21 at Grossmont hospital following an illness of eight weeks.

Mrs. Boese was born in Denver in 1886 and taught school in Milwaukee where she met and married her husband in 1915.

The Boeses came to Lemon Grove in 1947 when there was a service station where Southland Savings bank now stands and the Rexall Drug Store was just being built.

The Post Office was in Sonka Brothers general store at Main and Pacific. The Boeses opened a variety store at 3446 Main st. which they ran until 1956 — and retired.

Boy Injured In Fall

A twelve year-old boy is in Grossmont Hospital as the result of a fall into the 'Brookside Ditch'.

Scott Clark, son of Mr. and Mrs. Gerald Clark, 3560 Fairway dr., fell into the ditch last week and is suffering an infection on his foot.

O'Guin Services

Funeral services for Mrs. Mildred (Munie) O'Guin, 72, of 7582 Skyline dr., were held June 25 at Greenwood Mortuary, with the San Diego Salvation Army in charge. Entombment was in Greenwood Mausoleum. She died June 22 at her home.

She is survived by her husband, John; a son, Robert of Florida; three daughters, Mrs. Margaret Noland of Norwalk, Mrs. Dorothy Crane of Lemon Grove and Mrs. Frances Racine of Chula Vista; four sisters; 13 grandchildren and eight great-grandchildren.

City League Wants Dump Fees Dumped

SAN DIEGO (CNA) — A hassle over sanitary fill charges has been dumped on the supervisors' desk.

The mayor's committee of the League of California Cities has asked the county to rescind its dump fee and continue to let the cost be carried by the general county tax rate.

The city position is that people use the public roads to dump trash rather than pay to get into the dump.

The county says there was roadside dumping before fees were imposed.

Fees range from 25c for a passenger vehicle carrying trash to 75c for a pick-up.
